Subject:— Notifications under the Presidency

File No. Presidency Towns Insolvency II / 50 (N)

Gen. 194 e.

373-B

Office of the R.L.A.

The Presidency-towns Insolvency Act, 1909, was amended by Bombay Act XV of 1939 by the insertion of new section 101A only in its application to the State of Bombay, while the Parliamentary Act III of 1950 is not in its amendment of the Presidency-towns Insolvency Act restricted to the State of Bombay. Act III of 1950 could not therefore substitute a new section 101A for the existing section 101A inserted by the Bombay Act,.The amendment made by Parliament is not open to any objection.
